

## LIST OF PUBLICATIONS

### Peer-Reviewed Journal Articles

1. F.Sheikhasadi, M.Khazemzade, Z.Javanmard "**Comparative Study in Principles Organize Of garden and Carpets Design**" ISC (has been accepted for publication on Applied Mathematics in Engineering, Management and Technology (ISSN:2322-5572))

### Refereed Conference Papers

1. Z. Javanmard, I. Azimi, , " **Use Iranian Islamic geometric patterns to design of Spetial structure domes** ", International Conference on Research in Science Technology which was held on December 14th 2015 at Kualalumpur- Malaysia
2. Z. Javanmard, m.Dehghanipisheh, kh.Khodadadi , "**The introduction of performance levels and analysis of linear and non linear**", 3rd international conference on Research in Engineering , Science and Technology (REST) which was hold on june 5th 2016 in Georgia
3. Z. Javanmard, MToghroli,, " **Environmental impact evaluation of Special Structures in order to achieve sustainable architecture** ", The 4th International Conference on Science and Engineering held on the 10th and 11th of July 2016 at Rome-Italy
4. Z.Javanmard, R.Nuraddini, " **The Process management of Space Structures** ", (ISC )2 internatioanl Confrence on Civil Engineering, Architecture and Crisis Management held on may 25,2017 at Kharazmi University, Tehran,Iran
5. Z.Javanmard, R.Nuraddini, " **Time and Cost consuming Optimization in designing process of spatial structures** ", National Conference on Applied Research in Civil Engineering, Architecture and Urban Planning held on may 25,2017 at Islamic Azad University of Tabriz
6. Z. Javanmard, S.Rokh, H.Biglari " **Localization of spatial structures in order to Resiliency of Islamic architecture in the face of industrialization of the building process** ", The 1th National Conference on Resiliency of Civil Infrastructure held on Deceber 26,2017 at University of Kerman Advanced Industrial and Advanced Technology
7. Z. Javanmard, S.Naseralavi,, " **Design of the spatial structure s cladding to achieve sustainable architecture** ", (ISI)2International conference on modern researches in applied sciences and engineering sciences on 8march 2018 at shanghai
